

SAL Protection Plan's peace of mind motoring doesn't end with repair coverage.

All the benefits below apply to on-road motorcycles and scooters.

Roadside Assistance

Up to \$100 in towing/pick-up expenses, back to your selling dealership or to a destination of your choice. Other coverage: Battery & Fluid Delivery.

Rental Coverage

\$50 per day (up to \$250) in rental vehicle coverage in the event of an eligible mechanical breakdown.

Towing for Tow Vehicle

A one-time benefit of up to \$100 in the event of an eligible mechanical breakdown of your tow vehicle.

Trip Interruption

\$100 per day (up to \$300) in lodging and meal expenses in the event of an eligible mechanical breakdown occurring more than 150 km from your home which results in an overnight repair.

Reducing Deductible

Return to your selling dealership for an eligible repair and your deductible will be reduced by \$50.

Transferability

If you choose to sell your unit privately, any unused coverage will be transferable to the purchaser, increasing the resale value of your investment.

For over fifty-five years, we've been there when our customers needed us most.

For true peace of mind, each SAL Protection Plan is backed by either SAL Marketing Inc., iAP Marketing or Industrial Alliance Pacific General Insurance Corporation, all members of the iA Financial Group.

iA Financial Group's strength is demonstrated in its financial ratings from both A.M. Best and Standard & Poor's.

Why purchase a SAL Protection Plan?

It's coverage when you need it most.

The frequency of repairs increases with kilometres and time. For your new or pre-owned unit, SAL Protection Plan protects your unit after the manufacturer's warranty expires.

The choice is yours.

SAL Protection Plan puts you in the driver's seat. Ask your dealer why the Mechanical Assistance program is the right coverage for you.

Coverage of the following components means peace of mind for you and protection for your investment.

1. Engine
2. Transmission
3. Final Drive
4. Front Suspension
5. Rear Suspension
6. Brakes
7. Fuel System
8. Electrical
9. Steering
10. Cooling System
